Happy Summer, OCDA Members,

The NCDCA conference is coming up at the end of this month, and many of us are going. It would be great to meet Oregon and Washington members who will be attending. We might organize a dinner or hang out at one of the planned events at the conference.

If you'll be at the conference, let's meet at the Welcome Reception, at 5:45, on Tuesday, June 30, specific location tba. If you'd like to meet with us, please email me your cell phone number at clarka@wou.edu, and I'll text you our location.

Hope to see you there,

Adry
